Travel description to RHUL:

The FETS meeting attendees will need to register in the admin office (Tolanksy room T116) to get a visitors badge for the day, and a car park pass if required.

The room is in the Tolansky building, room T125 (building 21 on campus plan). The useful maps are here:

There is not a lot of car-parking (plenty of motorbike parking) during term-time, so it's best to arrive by public transport. Egham station is about a 15-20 minute walk up the hill. Buses 441 and 71 are 200m from the station and both stop outside the college main gate.
